

SNOWBIRD LIFESTYLE PRESENTATIONS

FREE CONCERT

Canada's favourite musical comedy duo, Bowser & Blue, is appearing to help us celebrate the freedom of the Snowbird Lifestyle!

Joining them will be Cape Breton balladeer Tom Leadbeater and Canada's Ambassador of Good Cheer, Jimmy Flynn.

There will be an opportunity to discuss health and longevity with Medipac's Medical Director, Dr. Robert MacMillan, and to discuss your travel concerns with Canadian Snowbird Association President Bob Slack.

Getting the most out of life is what really matters, and snowbirds have a great way of doing it! If you are planning on heading south this winter, spend the afternoon with us. The show is free and open to the public.
